Secretary:

Thank you to young umpires who have assisted with the junior umpires program. They have been a credit to both their Club and the Association. Feedback has been very positive. Three people have gained their "C Badges". They include Amber Cross, Pre Maona and Zoe Hall.

A squad of umpires continues to work towards gaining their badges. Janice Klus held a meeting with umpire's wanting to achieve C and B badges last Saturday. Wyong Leagues raised the question of payment for umpires from other Associations. During talks with other Associations re badging, payment of umpires was discussed. Other Associations limit the number of games their umpires do because if they are umpiring all day for payment the standard of their umpiring decreases by the end of the day. The Associations we talked to pay between \$10-\$20 per games

All DIV 3 games allotted to umpire's working toward their C badge this Saturday. Badged umpires will mentor these umpires.

Received a letter from council regarding rubbish in the carpark and around the swimming pool area. Council had threatened to fine Netball if rubbish is left around. Please advise players that they are responsible for picking up any rubbish.

We are in the process of submitting a tender to host the State Age Championships in 2012.

Emma McBride was a guest speaker and advised that Wyong Council is obliged to provide a supporting letter for Wyong to

hold the State Age carnival. She is having a meeting with the General Manager regarding the tender. This closes on the 9th July. The association needs to work with Council and Dept of Sport and Recreation. Inspections of courts and amenities need to be conducted. Congratulations to WDNA for working so hard. Any one who has issues regarding Council matters can contact Emma McBride.

State Age championships are on at Newcastle 3rd, 4th and 5th July for the 12, 13 14 and 15years. Good luck to all teams.

More foam post protectors have been ordered. The new post protectors are a joint venture between Bendigo Bank and a grant for WSC.
